About Me

I'm proactive and dedicated worker, always committed to deliver quality work and bringing initiative, responsibility, and maturity to the team.

I'm currently making the transitions to Junior Developer from 12 years of experience working in the fitness industry.

I enjoy communicating with people, to keep things clear and organized, and I'm always ready to support the team and move the work forward.

Education

Java · Spring Boot · REST APIs · MVC
React · PostgreSQL · Git/GitHub

Projects

- **Presentation Website**

React · Vite · GitHub Pages

A personal presentation website showcasing who I am, my professional background, skills, and projects I've done and in development. Built with React and Vite, featuring a clean UI, responsive layout, and smooth navigation.

Deployed through GitHub Pages with an optimized build workflow.

- **Team Safety Monitor**

Java · JavaScript · HTML5 · CSS3 — Spring Boot, MVC, Data · PostgreSQL · Maven · Apache Tomcat - REST APIs · Web Components · Fetch API

A full-stack web app that monitors workplace safety metrics, tracks team inputs, and triggers alerts when thresholds are exceeded. Built with a Spring Boot REST backend and a vanilla JavaScript frontend using custom routing and Web Components. Includes role-based access with dedicated dashboards for Admins and Members.

Professional experience

- **Group Trainer, Gym Instructor & Sub-Project Coordinator – Client Interaction & Lifetime**

Monitoring attendance, user behavior, and operational KPIs to improve retention and customer experience. Coordinating communication between clients, staff, and management to ensure consistent service delivery and identifying/correcting issues contributing to process improvements. Applying analytical thinking, organization, and problem-solving in a fast-paced environment.

- **Group Trainer, Personal Trainer & Gym Instructor**

Delivered individual and group training sessions tailored to different fitness levels, goals, and client profiles, implementing structured plans and ensuring progression and measurable results. Led group classes with energy and clarity, ensuring a positive and inclusive training environment. Maintained high service standards, contributing to member satisfaction and retention. Collaborated with colleagues to coordinate schedules, share best practices, and ensure smooth daily routines.

Abilities

I bring a mix of discipline, people-skills and problem-solving, showing strong communication and interpersonal skills, a teamwork mindset, and the ability to solve problems under pressure. I'm organized, adaptable, consistent in my work and managing time effectively.
