COMMUNICATION AND INTERPERSONAL SKILLS

Engagement and communicating with members, clients, and coworkers

Strong ability to interact and build relationships with members/clients, striving to meet their goals while finding the best path to achieve them, working to overcome difficulties and challenges that may arise.

Always committed to achieve and preserve a positive and attractive work environment where the team can rely on me and vice versa, demonstrating good ability in communication with coworkers and a strong team spirit.

Continually committed to achieving the objectives set by the company.

Ability to adapt to different environments and challenges

Experience gained over the years by working with different teams and in different environments. I've always been able to adapt to the workplace and overcome various challenges, whether in the fitness area or in any other that may be necessary to achieve the set goals.

I consider myself as a flexible and proactive person who seeks solutions for any problems that can arise.

Feedback e self-development

I've always been an advocate of constructive feedback and I'm able receive and apply them, with the goal of gaining knowledge and improving my skills.

In my view, this aspect is crucial for continuous growth in any field of work.

Sense of commitment and ability to learn

Committed to both the quality and delivery of results for the objectives I strive for, as well as the necessary learning needed to achieve them, demonstrating a good sense of responsibility and dedication in every challenge.
