Henrique Almeida Azevedo

Date of birth: 10/12/1991 | **Nationality:** Portuguese | **Gender:** Male | **Email address:** henriqueazevedo.dev@gmail.com | **Website:** https://henrique-s-azevedo.github.io/presentation-website/ | **LinkedIn:** henrique-s-azevedo |

Address: Portugal (Home)

ABOUT ME

You can provide a description of yourself here...I'm a motivated and disciplined Junior Developer with a strong learning mindset and a background in people-focused work. I enjoy building clean, functional solutions, improving a little every day, and contributing to teams with clarity, consistency and a positive attitude.

EDUCATION AND TRAINING

30/06/2025 – 25/02/2026 Porto, Portugal

FULL STACK DEVELOPER CodeForAll

Java · Spring Boot · REST APIs · MVC · React · PostgreSQL · Git/GitHub · Full-stack project development

SKILLS

Java (computer programming) | Javascript (React.js) | JAVA (Spring Framework, SpringBoot, REST, Hibernate, JPA, JDBC, JAX-RS, Maven, Gradle) | PortgreSQL | Git/Github

PROJECTS

Presentation Website (Portfolio)

React · Vite · GitHub Pages
A personal presentation website showcasing who I am, my professional background, skills, and projects I've done and in development.
Built with React and Vite, featuring a clean UI, responsive layout, and smooth navigation.
Deployed through GitHub Pages with an optimised build workflow.

SELF-TAUGHT TECHNICAL SKILLS

Technical Skills Improvement and Expansion

Frontend Development: React (component architecture, hooks, state management) · JavaScript (ES6+) · Vite · Responsive UI · Reusable components

Backend Development: Java fundamentals · Spring Boot basics · REST API consumption · API testing · Error handling · Clean code principles

Version Control & Workflows: Git · GitHub · Branching strategies · Pull requests · Code reviews · Project organisation

Deployment & Tooling: Vite build optimisation · GitHub Pages deployment · Environment configuration · Debugging tools · VS Code extensions and productivity workflows

AI tools learning: Experienced in using AI tools such as GitHub Copilot to accelerate coding, improve code quality and support debugging, refactoring and documentation through effective prompt-driven workflows.

Continuous Learning: Independent study through online courses (Udemy) · Documentation-driven learning · AI-assisted development with GitHub Copilot · Practice projects to reinforce concepts

SOFT SKILLS

Personal and Interpersonal Skills

Communication: Clear, structured and adaptable communication developed through years of working directly with clients, teams and diverse groups. Able to explain concepts, give and receive feedback and maintain positive interactions in any context.

Teamwork: Collaborative mindset, comfortable working in group environments, sharing responsibilities, supporting colleagues and contributing to a productive team dynamic.

Problem-solving: Strong ability to analyse situations, identify issues quickly and propose practical, effective solutions.

Discipline & Consistency: Strong organisational skills, reliability and commitment to delivering quality work on time.

Adaptability: Fast to adjust to new information, tools, environments, processes and challenges. Learning continuously and adapting to changing are priorities.

Client Interaction: Experienced in understanding client real needs, managing expectations, providing guidance and maintaining long-term engagement with professionalism and empathy.

Time Management: Efficient in planning, prioritizing and balancing multiple tasks, ensuring smooth daily operations and consistent delivery.

Resilience: Ability to remain calm, focused and effective under pressure, maintaining performance and decision-making in fast-paced or high-stress situations.

WORK EXPERIENCE

GROUP TRAINER, GYM INSTRUCTOR & SUB-PROJECT COORDINATOR – CLIENT INTERACTION & LIFETIME – SOLINCA, SONAECAPITAL – 03/06/2025 – Current – PORTO, PORTUGAL

Supporting processes focused on client interaction, user lifecycle, and service quality.
Monitoring attendance, user behaviour, and operational KPIs to improve retention and customer experience.
Coordinating communication between clients, staff, and management to ensure consistent service delivery.
Identifying operational issues and contributing to process improvements.
Applying analytical thinking, organisation, and problem-solving in a fast-paced environment.

GROUP TRAINER, PERSONAL TRAINER & GYM INSTRUCTOR – VARIOUS FITNESS CENTER – 07/09/2015 – Current – PORTO, PORTUGAL

Delivered individual and group training sessions tailored to different fitness levels, goals, and client profiles.
Designed and implemented structured training plans, ensuring safety, progression, and measurable results.
Monitored client performance, provided feedback, and supported long-term engagement and motivation.
Led group classes with energy and clarity, ensuring a positive and inclusive training environment.
Maintained high service standards, contributing to member satisfaction and retention.
Collaborated with colleagues to coordinate schedules, share best practices, and ensure smooth daily operations.

LANGUAGE SKILLS

Mother tongue(s): **PORTUGUESE**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C2	C2	C2	C1	C2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

Actively seeking my first position as a Junior Developer, with the goal of contributing to a supportive team environment while developing solid technical and professional skills.
